

87th Legislative Session... By the Numbers

Let's take a look at the numbers regarding our Texas Moving Image Industry Incentive Program

\$45M FOR TMIIP

We did it! The TMIIP funding has been restored! Despite COVID-19, the superstorm's affect on legislative priorities and it being one of the toughest budgets to date, our state legislators know the value of the TMIIP. We have been **job creators** during one of the most uncertain economic times in history and have the ability to instantly boost and diversify our Texas economy!

*As of 6/1/21

\$43.2M

Since inception the TMIIP has been funded on average at \$43.2M. This session, our program was zeroed out in the House. Fortunately with the help of our stakeholders and supporters at the Capitol we are back in business with **above average funding!**

31
State Senators
who represent 31
separate
geographical
districts in Texas.

150
House Representatives.

Bills were filed for infrastructure investment incentives. One passed committee but did not pass calendars. We are all know infrastructure is a key component to a successful, longterm strategy. TXMPA will continue to look at how these incentives can best serve the industry.

TXMPA'S 10 + 2

Ten volunteer TXMPA Board Members advocate and lobby for you, meeting monthly with countless emails and calls in between. Our amazing board ensures they are doing right by media production industry throughout Texas. Plus two paid independent contractors that work to make sure the day to day business of the organization is running smoothly.

579

Days until the next legislative session. In the meantime, TXMPA will continue to work with all our stakeholders to help increase production incentives and build our vibrant industry here in Texas. Get involved. Join TXMPA today!
