

Hello Representative Harris,

My name is Jane Doe and I am a constituent. I work in the film industry as a gaffer and am excited to share with you our PSA that was created this year for the legislative session. If you have 2 minutes, please check out the YouTube <https://youtu.be/Bjslo2YJ93I> to see the positive impact our industry has on Texas! Thank you for your continued support of the TMIIP.

Dear Senator Huffman,

Thank you for your support of the Texas Moving Image Industry Incentive Program. I live in your district and work as a graphic designer for a video game company. Due to the incentives, I have been able to work through the pandemic and continue to support my family. If you have a couple minutes, please take a look at this short video that highlights the positive impact our industry has on Texas. You can see it here, [www.txmpa.org](http://www.txmpa.org) I am happy to answer any questions you or your staff may have. Again, thank you! We cannot do it without the support of our great Senators and Representatives.

Dear Chairman King,

My name is John Doe and I live in your district. First and foremost, thank you so much for your continued support of our Texas film and media industry! We are able to create more jobs and bring over \$5 into the state for every \$1 granted. If you have 2 minutes, please take a look at the PSA that was created by our media industry. You will see firsthand the massive impact we have across the state. I am happy to answer any questions you may have. Thank you again!
